### *Key Dates for your Diary*

We hope you've had a brilliant half term... it's been a busy one!!!

Please keep an eye out for additional communications coming home regarding leadership updates at school. This will be a letter from our executive head teacher Laura Horne.

I feel like the last few weeks we can really say summer is here! we've had our Friday afternoon surfing slot for green time really popular, and are also really 'stoked' to announce inaugural Oak Tree X games... a massive thankyou to Harry and Sam and anyone else who has been involved in the organisation of this. I was incredibly lucky to take part in officiating and supporting the surfing section of this, as we saw children take part in body boarding, body surfing, stand up surfing and a surf lifesaving wade. This was incredible.

A massive shout out also to our GCSE candidates who have begun to sit their examinations. Well done all, it's a tough time, and you may feel anxious, but just remember to do your best... it's all any of us can do!!! Please note after half term there is likely to be some movement of groups, as our year 11 begin to transition away from us. For any questions or concerns regarding this, please speak to myself or Michelle Pascoe.

In the meantime, have a lovely half term, rest, recharge and enjoy.

Dear All

As you are all aware, we have recently been advertising for the position of headteacher at Oak Tree School. Dan Stockton has now left this position, and, as an interim measure, Kate Martin has been seconded to the post of interim Headteacher of the school from one of the other schools in our group. Kate, and the school, will be supported during this period by the existing senior leadership team, including Luke Bolsin and Michelle Pascoe in their roles as Heads of School, with the addition of Laura Horne in the role of Interim Executive Headteacher over both Oak Tree School and Red Moor School.

Laura has worked with the group for the last 10 years, originally starting Oak Tree as the Deputy Headteacher, and moving over to Red Moor when it opened as the Headteacher just under 4 years ago.

Kate will be in post from the 3<sup>rd</sup> of June, when we return from half term, and we are sure that she will be in touch with you all herself in the near future to introduce herself to you all.

If you have any immediate questions, please feel free to contact Laura directly on [laura.horne@redmoorschool.co.uk](mailto:laura.horne@redmoorschool.co.uk)

Many thanks

# X GAMES

As part of our ongoing X Games competition we had a skate festival in Falmouth where lots of students came together to create a fun actioned packed afternoon. We had students taking part in skating, painting and providing music for everyone.

All students represented the school beautifully and thoroughly enjoyed themselves.

## well★done

This weekend saw Alfie and his football team, Helston Hurricanes crowned League Cup winners and U14s League 1 West Winners (they were undefeated all season)

He joined the team last year and along with another Oak Tree student and the boys have done incredibly well and become valued members of the team.

A huge well done and Congratulations!
